NEW GENERATION LAPTOPS

LIKE YOU. LIKE NO ONE ELSE.
COLOR UP YOUR LIFE

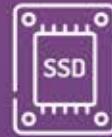

Ergonomic backlit keyboard with large track pad

Hustle through a dimly-lit environment to redefine accessibility with a backlit keyboard and large track pad designed for enhancing your efficiency.

Support for windows hello

Log into your devices 3x faster than typing a password. Use fingerprint reader to enjoy a faster & secure way to access your device because you are the password.

Powerful battery backup with lightning fast SSD storage

Free yourselves from power and performance issues with up to 10 hours of power backup and an ultra-fast solid state drive.

Ultra slim and light design with an all aluminum build

When on the go, unburden yourself with a surprisingly light yet sturdy laptop carved from aluminum for todays challengers.

FHD IPS border-less display

With AVITA new generation laptops, experience the truest colors and details on a full high definition IPS display screen.

Instantly boot into the world of effortless computing

Rush through and boot in an instant to get onto a computing experience perfectly personalized for you.
