NEW GENERATION LAPTOPS

LIKE YOU. LIKE NO ONE ELSE.
COLOR UP YOUR LIFE

Ergonomic backlit keyboard with oversized trackpad

Hustle through a dimly-lit environment to redefine accessibility with a backlit keyboard and trackpad designed for effortless scrolling.

Full support for windows hello

Log into your devices 3x faster than typing a password. Use device camera for face recognition or use fingerprint reader – either way enjoy a faster & secure way to access your device because you are the password.

Powerful battery backup with lightning fast SSD storage

Free yourselves from power and performance issues with upto 10 hours of battery life and ultra-fast solid state drive.

Ultra slim and light design with an all aluminum build

When on the go, unburden yourself with a surprisingly light yet sturdy laptop carved from aluminum metal.

FHD IPS border-less display

Experience the truest colors with a full high definition IPS display on AVITA new generation laptops.

Instantly boot into the world of effortless computing

Rush through boot in an instant and get onto a computing experience perfectly personalized for you.
